Fire Truck Demonstration.

The White auto fire truck, which has been in this vicinity demonstrating, made a few test runs in this city Wednesday evening between 5 and 6. Most of the tests, North and Walnut street grades being tried. The time made was fairly good in the opinion of Chief F. W. Gerrick. The horsepower of the truck was 65, which in the opinion of many on the streets would not be sufficient for this city, with its hills.

Attained Majority, Given Party.

Charles F. Palmer of 1242 Main street was 21 Wednesday and a number of his friends gave him a surprise party in honor of his majority. There were about 20 present and dancing and music furnished the major part of the entertainment. Many useful and handsome gifts were received by Mr. Palmer in honor of the birthday.

Annual Clean-up Soon.

With other cities falling in line for the annual spring clean-up and paint-out week, it is probable that the Willimantic Civic society will, through its president, Frank P. Fenton, issue a call for a meeting soon, to again take up this matter. Last year a great deal of work was done at the time of the clean-up, and the school children were interested, with beneficial results. Just what method will be pursued this year is not as yet decided, but it is safe to say the work will be an improvement over that of last year, good as it was.

Not So Dead As Reported!

There is one man in town of whom the reports were, in the faded story of Mark Twain, somewhat exaggerated. It is said that preparations for his funeral were entered upon at a local undertaking establishment Thursday morning, the man's wife reported.

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have.

Says Dr. Edwards, a Well-Known Ohio Physician.

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, which he called Dr. Edwards' Olive Tablets; you will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter that one's system collects.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, in-active bowels, you take one of Dr. Edwards' Olive Tablets nightly, for a time and note the pleasing results.

Thousands of women, as well as men, take Dr. Edwards' Olive Tablets now and then just to keep in the pink of condition.

Dr. Edwards' Olive Tablets, the successful substitute for calomel—10c and 75c per box. All druggists.
